Seymour, July 24- A reminder that there will be NO racing this Sunday, July 28 at the Seymour Speedway due to the Outagamie County Fair.

Come on out to enjoy all the activities at the Fair and make plans to return to racing action, when the Badger Mod Tour joins the other 4 regular divisions on Sunday night, August 4.

The weekly Budweiser IMCA Modifieds will not be running, but the BMT will be in full swing. There will be no IMCA or track point for the Mods that night.

The Coors Light IMCA Stock Cars, IMCA Sport Mods, Street Stocks and 4 Cylinders will be running the full regular, sanctioned and track point programs.

All this racing action sponsored by long time track supporter, Kelsey Coatings of Green Bay and 1st Choice Auto. They will also host a bike give away and a Coin Toss for the kids.

The pit will open at 3 PM on the 4th with the draw cut off for the Mod Tour at 5:30.

All other divisions will be using regular average system with the cut off at 5 PM.

Racing will start at 6 PM SHARP and the evening will be topped with a 30 lap BMT feature.

This will kick off the final month of racing for 2013 at the Seymour Speedway.

Following the BMT Special, August 11 will be Kids Night when the local Fire and Rescue departments will be on display for the kids of all ages to get a close up look and ask questions about the services they supply to all local communities.

Van's Highway Auto will sponsor the full program on the 18th which will include the Trailer race at the end of the night.

The Faster Pastor 4 Cylinder race will take place on August 25 and the final Summer Holiday Classic race featuring the WDLMA Late Models will close the season on Labor Day weekend, Sunday September 1.
