Seymour June 22- The track crew at the Seymour Speedway has been busy for the past 2 days wrestling the 1/3 mile clay oval into shape for tonights five division racing program.

It is a Shiocton sponsor night with Studio 54, Hometown Grill and Van Straten Auto Service sharing the headline spot.

Even though he track received about half the rain other areas got this week, the cool, cloudy and humid air has made prep quite a task, but everything should be in place by race time at 5:30 this evening.

Tonights rotation:

Budweiser IMCA Modifieds

Coors Light IMCA Stock Cars

IMCA Sport Mods

Turbo Blue Street Stocks

4 Cylinders
