Seymour, July 6 – Despite another lousy weather day and power outages in the area, N.E.W. DIRT pressed on and completed a full show Sunday night at the Seymour Speedway on General Beer sponsored night of racing.

The IMCA Sport Mods were first on the track for the feature portion of the program with Robby Thiel taking the lead at the start with Lucas Lamberies, Rod Solem and Wayne Haines behind when the caution appeared on lap 6 when Haines looped his car.

On the restart, Thiel again pulled into the elad with Lamberies dropping back just a bit. The race for third between Solem, J.J.

Andersen and Bruce Belland allowed the front two to pull away from the field .

Thiel was running mid track and Lamberies closed in.

Lap after lap, Lamberies would try every lane available to take the lead, but Thiel was able to match moves and stayed in front.

As the laps went in the book, Lamberies started to sweep in the corners and try to slingshot out and was able to pull alongside several times.

Thiel maintained his control

and the lead.

With three laps remaining, Lamberies dove inside for the lead in turn three only to touch one of the track tires , which caused him to nearly spin.

He was able to gather the car back up but lost several positions.

This was the break Thield needed to pull away to collect his second straight feature win.

Solem, Andersen and Dave DeGrave

were all able to get by Lamberies to take 2
